## A/B/O Verse

### Kapitel 25:

The A Class was shocked when Deku landed in front of them. "You'll finally be mine, Kacchan!" he snarled.

"Oh no! What happened?" Tenya was immediately in front of Katsuki, Mezo and Rikido too. Izuku's fangs grew bigger.

"Stay put!" He snarled. The three alphas felt enormous pressure. An alpha command! Not this again!

Izuku got suddenly swept off his feet. Jurota Shishida had tackled him. "Not you again!" He growled. Tetsutetsu was charging in too.

"You shouldn't be here!" He knocked Izuku down again.

"You fucking, stupid morons. Don't get in my way! I will get my omega!" He roared. He smash kicked Tetsutetsu and Jurota off of him. He then activated blackwhip and he wrapped the tendrils around Tenya, Mezo and Rikido.

Izuku jumped and pulled them up with him. He spun in the air and used blackwhip like a catapult. He let go of them mid air and they flew threw the sky. Hanta and Ochako were immediately after them to catch them.

"Dammit fucking Deku!" Katsuki snarled, and he lifted his hands.

"You're mine! My omega!" Izuku came closer to Katsuki, he smiled widely again. "I'll make you mine now!"

"Pah, you won't! I am not your fucking possession!" Katsuki was pissed and he fired an explosion in Deku's direction. Denki was at his side and fired a shockwave, too.

This whole ordeal caught the attention of multiple people, the other students were terrified of what was happening.

Izuku jumped forward and he knocked Denki to the ground. After that he wrestled

with Katsuki. Izuku's nails dug into Katsuki's shoulders while the omega had grabbed the alphas face. He fired off explosions but this didn't seem to faze the feral alpha.

He had to keep him away from his neck. He rammed a hand into Izuku's mouth and exploded it again. A beastly screech came off of him. Izuku was in between Katsuki's legs, which was not a good position to be in, for Katsuki. Katsuki tried to get free from under him. He managed to get his legs closer to his body and then he started kicking Izuku.

"Fucking bitch! Be a good little omega and stay still!" Katsuki froze at Izuku's command. Izuku pulled Katsuki closer and ripped his head to the side to expose Katsuki's neck.

But octopus tentacles appeared and blocked his mouth. They wrapped around his neck and torso and pulled him away from Katsuki. The blonde woke up again and crawled back.

Tamaki, Mirio and Neijire appeared with Aizawa and Present Mic. Aizawa used his capture weapon to subdue Izuku. Inko and Mitsuki as well as Hound Dog and Midnight followed after them. Inko was a crying mess. Mitsuki looked shocked, too.

She immediately made her way over to Katsuki, who was still sitting on the ground. He glared at Izuku.

Izuku wiggled in the bindings like a fish on land. He howled in frustration. But then it stopped.

"Mr. D-Deku?" He heard a soft and scared voice. Everything stopped for a moment.

Deku stilled and looked over to Eri. His eyes widened. "Pup ..." he murmured. Eri had tears in her eyes.

"W-what's wrong with you, Mr. Deku?" she sniffled.

"No, Eri! Stay away, this is dangerous!" Mirio ran towards her and lifted her up. Deku was still on the ground looking at the little girl. His teeth shrank and his posture softened. He surrendered the fight. He was on his knees and he held the head low, as if he didn't want to scare Eri more.

Aizawa took the chance to bind him even harder. He then pulled him up to his feet and guided him back to the facility. The teachers followed to make sure, he was under control, but there was no fight left in him.

Mitsuki was still at Katsuki's side. She patted through his hair a few times. His heart was beating fast. So Deku was really after him? He had gripped his mother's arm for comfort.

They brought Izuku back to his cell and locked him up against the wall again, he didn't resist this time. "Damn, this was a mess ..."

"It was ... but have you seen his reaction towards Eri?" Aizawa asked Present Mic.

"He immediately stopped, when she appeared ..." Mic mumbled.

"Hm, does that mean ... they react to pups?" Aizawa looked to his mate.

"I don't know. But wouldn't it be dangerous to let her to him?"

"What if we introduce them slowly?"

"Could be an idea ... but it is really up to you." Mic seemed concerned for the well being of the little pup.

"I have to think about that." Shota mumbled. After they restrained Izuku, the two left the room.

Shota had to consider, if it was okay for Eri to be anywhere close to Izuku and the others. The idea of her being in danger was scaring him, but they needed to do something to help the four students.

A couple of days passed, the school had to do a lot of explaining. Many people were scared of Izuku now. It was a mess.

The A Class was still in shock, Ochako and Mina didn't leave Katsuki's side. But he was more angry than scared this time. How could this stupid fucking Deku think, that he could claim Katsuki as his own?

At one evening, Shota, Hizashi and Eri sat in their living room, Eri was watching a movie, while Hizashi and Shota quietly discussed what to do. Eri was, ever since the meeting with Deku, really quiet, as if she was thinking about something all the time.

"Say, dad, can I see, Mr. Deku again?" She suddenly mumbled. Shota and Hizashi looked towards her.

"Well, we are actually discussing this, right now", Shota mumbled.

Eri looked over to them. "He looked so different when I saw him ... and he was attacking his friends, right? Something bad happened to Mr. Deku, right?" She had teary eyes.

"Yes ... and this is the problem. We don't want to bring you in danger, but you seem to have a positive effect on Deku" Shota explained.

"So can I see him? I want to help him, like he helped me!" Her eyes were pleading.

Shota looked from her, to his husband. Hizashi nodded. "Okay, we'll go and see Deku tomorrow. We'll see how he reacts, okay?"

"Yay! I am so happy! I hope I can help him!" She smiled and jumped at Aizawa. He lifted her up and sat her on his lap.

"Yeah, let's hope that."

The next day came way too early for Shota. He wasn't really prepared to let Eri into the wolf's den. But Eri was very excited. Even though, Shota told her multiple times that he might not react to her, or let her help him.

They had unchained Izuku, so she wouldn't get scared. He was back on the cot, he was lying on the back, hands crossed behind his head. He was rather bored. He knew that he had done something bad. There were moments of clarity in his foggy mind. Moments, when the unleashed beast inside of him was resting.

He heard that someone was in front of his door. Hound Dog entered seconds later. "Stay put" he commanded. Izuku lifted himself up and supported himself with his elbows.

"What a pleasure" he mumbled. "What's it this time? Punishment for what happened?"

"No, we have a visitor for you", Ryo grumbled.

"Oh? Since the last time went so successful ..." Izuku stopped, when he heard little steps and seconds later, Eri was in the room. "Eri?"

"Hello, Mr. Deku", she said shyly. Aizawa was behind her, looking at Izuku with a stern look. Izuku knew that he would get punished, if he did something to the little girl.

Izuku sat up on the cot and leaned forward. "Hey, pup, what are you doing here?"

There was no sign of aggressiveness, even though Aizawa was in the room.

The little girl carefully got closer to Izuku. "I wanted to visit you. I miss you, Mr. Deku!"

"I miss you too, pup!" Carefully he slid off the cot and sat criss cross applesauce on the floor. With a little distance Eri sat down too. She had a bag with her and she brought out some papers and pencils.

"Do you want to draw with me?" she asked.

"Yes, I would love that!" Izuku smiled excitedly. Eri handed him a piece of paper and a pencil, they sat across from each other and started to draw. Aizawa looked over to Inui. Was this really going to work? Or was it, because Izuku was calm now? They

would test it later on Hitoshi, Kirishima and Shoto too.

After about an hour Shota announced that it was time to go. "Awww, I don't wanna", Eri exclaimed.

"Its better you go, pup, who knows when the beast wakes up?" Izuku mumbled the last part more to himself. They said their goodbyes and Eri promised to visit him soon.

After that, they went to Hitoshi. He looked a bit confused, but his eyes got softer when he looked at Eri. He showed no sign of aggressiveness.

The same was for Shoto. He would not really interact with Eri but there was a warm gaze and a small smile, no aggressiveness, what so ever.

Eijiro on the other hand was super excited to see Eri. He didn't interact with her that much, not like Izuku, but he was still so happy to see her. He was crouching in front of her and he excitedly drew with her some pictures. He asked her a few things. He seemed to be his old cheery self again.

Eri was really happy, that everything went so good. She was allowed to visit Deku again whenever she wanted, as long as one of the teachers was with her.

Aizawa and Hound Dog looked at each other. "Why is it that they react so positively at Eri?" Aizawa asked.

"Hm, maybe because she is a pup? She hasn't presented, she is no mating material, she is one that needs protection!" Ryo growled a little. "Alphas would always protect the pups. Maybe Izuku and Eijiro reacted stronger towards her, because they have history?"

"That's a possibility. And it's a little bit of hope, that we can fix them", Aizawa mumbled. He was glad, that the day went so smooth.
